Color Hunt	Each team of four players will have 5 minutes to search and collect small color packets, each carrying a score. After the hunt, teams will work together to solve a puzzle. The team with the highest combined score from color packets and puzzle solving wins the game.
Blind fill	In this game, each team has 2 players: one at the starting point (blindfolded) and the other at the endpoint. The blindfolded player carries 2 cups filled with water, each marked with a line inside, and must walk to the endpoint guided by their teammate's voice. If water is poured below the marked line after reaching the endpoint, the team is disqualified.
Water pass	Each team has 4 players, the first player carries a full bucket; others have empty ones. They pass water overhead from bucket to bucket. The team with the most water at the end wins.
Holi Freeze Dance	This is an individual game where players dance to a song using its hook step. When the music stops, they must freeze immediately in their current pose. Those who fail to freeze are out.
